STANDARD PERMIT NO. **SWL 2019-00047-2**

Mr. Don Bradley
Central Arkansas Intermodal Authority
117 South Moose Street
Morrilton, Arkansas 72110

Dear Mr. Bradley:

Under authority of Section 404 of the Clean Water Act (33 U.S. Code 1344) and Section 10 of the Rivers and Harbors Act of 1899 (33 U.S. Code 403), enclosed is Department of the Army Permit No. **SWL 2019-00047-2,** which authorizes work, including the placement of dredged and fill material, in waters of the United States associated with the construction of an approximately 14-acre multi-model port site on the McClellan- Kerr Arkansas River Navigation System (MKARNS). The proposed project will include the construction of a fixed dock, dump pads, two floating docks (including mooring piles), a barge slip with a 30-foot-wide concrete apron, a boat ramp, access roads, and associated appurtenances. The project is located in the MKARNS, between Navigation Miles 172.6 and 172.9, on the right descending bank, in section 31, T. 6 N., R. 16 W., Conway County, Arkansas.

The proposed facility shall be constructed/conducted and maintained as described in the permit. If changes are proposed in the design or location of the proposed facility, you are required by law to submit revised plans to the District Engineer for approval before construction of the change is begun.

It is your responsibility to understand and comply with all of the conditions of the permit and to make any of your employees or agents involved in this operation continuously aware of the permit conditions.

It has been determined under Section 14 of the Rivers and Harbors Act of 1899, as amended (33 USC 408) that the activities authorized do not impair the usefulness of the USACE Navigation project and is not injurious to the public interest. You must comply with all of the permit special conditions and the conditions in the attached "Standard 408 Terms and Conditions" under Engineer Circular 1165-2-220, dated 10 September 2018.

If you have any questions, please contact Gerald Dickson, Environmental Protection Specialist, at (501) 340-1372 and refer to DA Permit No. **SWL 2019-00047-2**.

Sincerely,

Sarah L. Chitwood
